RE: WC Docket No. 05-337 and CC Docket No. 06-45

Dear Ms. Dortch:

The South Carolina Office of Regulatory Staff ("ORS"), by undersigned counsel, submits this letter to the Commission pursuant to Section 1.1206 of the Commission rules to serve notice in the above-captioned proceedings of an *ex parte* meeting with Commission staff.

On July 9, 2007, Katie Morgan, Director of Telecommunications and Florence P. Belser, General Counsel met with John W. Hunter, Chief of Staff and Senior Legal Advisor with the Office of Commissioner Robert M. McDowell.

ORS expressed its position concerning the above-referenced proceedings and discussed matters related to Universal Service Fund ("USF") reform. A copy of the PowerPoint slides distributed and used at the meeting is attached. ORS discussed USF reform consistent with its filed comments and the attached presentation and explained ORS' opposition to the implementation of the interim cap proposed in the May 1, 2007 Recommended Decision of the Federal-State Joint Board on Universal Service ("Joint Board's Recommended Decision"). The topics discussed in the meeting included (1) ORS' position regarding implementation of an interim cap on high cost support provided to competitive eligible telecommunications carriers; (2) the status of pending state ETC certification proceedings in South Carolina; and (3) the complexities of USF reform.

Should you have any questions regarding this letter, please contact the undersigned.

Respectfully submitted,

Florence P. Belser
General Counsel
